CELEBRATING LEARNING IN...

F/1 Classroom

This term has found the F/1s exploring many living things.

Planting seedlings with our visitors from Bunnings.

Weeding and preparing the soil in our vegetable garden.

Grace from the Mitchell Shire Council teaching us about worm farms.

Finding potatoes!

Planting seeds and watching them grow.

Making our own worm farm. Here are our worms!

Our visit to the zoo and riding the Safari bus.

Exploring the Wallaby enclosure. Watering plants, building cubbies and learning about all the animals at the zoo.

FROM THE PRINCIPAL

Celebrations!

As we come to the middle point of the year, staff have been reflecting on our progress towards achieving this year's goals, as set out in our Annual Implementation Plan. We have identified much to celebrate, including our work towards embedding student leadership in our school culture. In particular, we have had a significant focus on our staff supporting our senior students in their leadership roles. The photos below are of our House Captains who this week ran House meetings, discussing with the members of their Houses current priorities and areas of focus. They also led their House in practising their House songs – which we look forward to sharing with our school community later in the year.

Semester Reports

Our first semester reports will be sent home next Thursday, the 27th of June. Please ensure you take the time to look over your child's report and discuss the report with your child. Celebrate their achievements and ensure your child is aware that you are proud of them – even if the report is not quite what you were expecting or hoping for. Have your child share with you their reflections of the term and discuss areas identified for future learning.

We will hold parent/teacher interviews early Term 3. This is the perfect opportunity to discuss your child's report and progress this year with your child's classroom teacher. A notice will go out regarding this next week, providing instructions on booking your interview time.

Newsletter Survey

Final reminder that we are seeking feedback on our school newsletter. Thank you to the 8 members of our community who have currently responded. Average completion time is currently 1 minute and 20 seconds, so it literally will take less than a couple of minutes of your time to complete. Thank you once again for your time and feedback. <https://forms.office.com/r/rnDBVbCAGP>

End of Term

Term 2 finishes next Friday, June 28. Students will be dismissed early at 1:30pm. Our end of term assembly, where we will be presenting our term awards, will commence at 1:00pm.
